Presidential Secretariat
Colombo 01

Your Excellency,

On behalf of the Sarvodaya Shramadana Movement and personally from me, I would like to extend my sincere congratulations on your election as the 9th Executive President of the Democratic Socialist Republic of Sri Lanka, as the candidate of the Jathika Jana Balawegaya (NPP).

In light of the current crises we face as a nation, the main expectation of the Sri Lankan public has been to replace an outdated and deeply corrupt family and personal based politics with a new leadership capable of fostering an ideal and new political culture that is people friendly and clean which can guide our motherland to a new world. Hence, your success at the election demonstrates that the people of Sri Lanka has endorsed your compelling program titled "A Thriving Nation. A Beautiful Life" for this purpose.

It is evident that we, as a nation, have great hopes for a new democratic constitution and a political culture that provides sustainable solutions to eradicate fraud and corruption, ensure social security, uphold legal fairness, and promote national unity and integration. We earnestly hope that you and your administration will work with unwavering resolve to meet the expectations of the people of Sri Lanka.

For the past 65 years, the Sarvodaya Shramadana Movement has tirelessly endeavored to raise public consciousness and create an environment conducive for such a social transformation. Therefore, we would be willing and happy to offer our fullest support and facilitation to assist the measures your leadership undertakes to guide our motherland into a new era.

Thank you
Sincerely,

Dr. Vinya Ariyaratne
